Justice for Jesse Cedillo
Rally and March

Pueblo, CO: Lynnett Fox Naranjo, along with her community, invites you to join with her at a rally and march in honor of her son, Jesse Cedillo. Jesse was killed by police in Pueblo on March 14 2020.

The march will start at 10:00 a.m. Thursday May 14 2020 by the bandshell at Mineral Palace Park. We will walk down Main Street to Tenth in front of the old court house, down Court, and end at 7th and Court at the District Attorney's office.

This event aims to call attention to Jesse's story and demand appropriate action by the DA's office. We are requesting that an independent and distinct agency investigates the homicide, and that swift justice be served.

Please direct any questions to Lynnett at the above email, or Marley Foundation at (719) 470-0740.
